

**April, 2006** - ITWTF Americas

**ITW Thermal Films Resin Ribbon, B324, awarded the BS5609 Certificate Section 3 from the prestigious PIRA Laboratory.**

ITW Thermal Films is pleased to announce that its Highly Durable Resin Ribbon, B324, has been awarded the BS5609 Certificate Section 3 from the prestigious PIRA Laboratory. PIRA's evaluation validates the resiliency of the B324 product in saltwater applications. Please contact 877-TTR-FILMs for additional information or visit the [compliance](#) section of this website.
